
Pupil Premium Strategy Statement 2024-2027

The McAuley Catholic High School

Reviewed December 2025

Pupil premium strategy statement – McAuley Catholic high school Doncaster

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	1439
Proportion (%) of pupil premium eligible pupils	28.91% (416)
Academic year/years that our current pupil premium strategy plan covers	2024-2027
Date this statement was published	01/12/2025
Date on which it will be reviewed	01/12/2027
Statement authorised by	Mr J Tucker Head Teacher
Pupil premium lead	Mrs J McGee Deputy Head Teacher
Governor / Trustee lead	Mrs R Shay Chair

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£385,765
Pupil premium funding carried forward from previous years <i>(enter £0 if not applicable)</i>	£0
Total budget for this academic year	£11,556.316
<i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i>	

Part A: Pupil premium strategy plan

Statement of intent

You may want to include information on:

Our objectives are:

To follow the EEF guidance and use the three tier approach model to effective pupil premium allocations. [The tiered approach to Pupil Premium spending | Education Endowment Foundation](#)

- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils.
- To raise literacy levels so disadvantaged pupils in school make or exceed nationally expected progress.
- To provide social and emotional support to improve student attendance, engagement, aspiration and resilience.
- To provide students with opportunities for cultural enrichment and remove financial barriers where possible.

We aim to achieve these by:

- Ensuring that teaching and learning meets the needs of all the pupils through a broad and balanced curriculum, quality first teaching and with continued professional learning opportunities for teachers.
- Providing small group tuition and catch-up opportunities
- Monitoring of attendance and attendance initiatives such as rewards, phone calls home and home visits
- Provide resources and funding for students to experience extra curricula opportunities

Our key principles are aligned with our whole school curriculum intent and improvement strategy. We believe the study of a broad range of subjects is important to facilitate the development of cultural capital for all students. Each subject's curriculum is planned by a subject specialist and is deliberately sequenced to promote progress. In addition, exposure to a range of experiences and knowledge will help to raise the attainment of disadvantaged students in particular. Every subject area values the importance of personal development to ensure students develop into citizens able to make a positive contribution to society.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Improve outcomes for PP students

2	Literacy levels are lower for incoming PP students than non-pp students.
3	Attendance rates for students eligible for PP are lower than other students.
4	Low levels of aspiration and resilience

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils make at least expected progress. Seat first, check first and home first.	Gaps will close in progress made between PP and non PP. PP students to achieve, or exceed, in line with national averages for all students.
Improved literacy outcomes for PP students so they can access the full curriculum	Close the gap in reading ages so PP are in line with non PP cohort Standardised reading scores are in line, or above, national averages
Improvement in the attendance for PP students	PP student attendance gap closing compared to non pp. PA rate for PP will be in line, or lower than national averages. Increased parental engagement demonstrated through home visits
Higher levels of engagement of PP students in school, within lessons and within extracurricular offer, trips and visits.	PP students receiving attitude to learning grades in line with non-pp cohorts Increased engagement is evident in data tracking, classroom observations, access to the curriculum and progress. Increased engagement with before and afterschool offer, increased parental engagement at parents' evenings, increased engagement with cultural enrichment trips and visits.

Activity in this academic year

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £204,705

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Provide engaging and ambitious curriculum for PP students through:</p> <p>a) A broad and ambitious curriculum with a 3 year KS3. Long term whole school curriculum plan has endpoints based on our McAuley 7-year pledge.</p> <p>b) Subject curriculum planning is sequenced through the long and medium term taking full account of the incremental steps of learning in the subject. Retrieval and cognitive science explored in training sessions.</p>	<p>EEF A Tiered Approach to 2020-21 – High quality teaching for all</p> <p>A narrowed curriculum can mean that children miss out on opportunities to study subjects and gain knowledge that could be valuable in later stages of education, or in their adult lives. It can also have a disproportionately negative effect on the most disadvantaged pupils https://educationinspection.blog.gov.uk/2020/01/09/making-curriculum-decisions-in-the-best-interests-of-children/</p> <p>Great teaching toolkit dimensions</p> <p>1.2 : Knowledge of the requirements of curriculum sequencing and dependencies in relation to the content and ideas you are teaching.</p> <p>1.3 Knowledge of relevant curriculum tasks, assessments and activities their diagnostic and didactic potential.</p>	1
<p>Whole school priority is focusing on developing effective AFL strategies in the</p>	<p>Building on over 20 years of research by Dylan Wiliam and Siobhan Leahy, this programme has shown to make a positive impact on student achievement and teacher behaviours.</p> <p>Embedding Formative Assessment - SSAT</p>	1 and 2

classroom. Current CPD package 'Dylan Williams effective use of AFL'.		
Whole school approach to improving literacy - all subjects continually develop their reading curriculum and explicit strategies for boosting comprehension and to develop.	EEF Improving literacy in secondary schools provides seven recommendations related to reading, writing, talk, vocabulary development and supporting struggling students.	1, 2 and 4
Disciplinary literacy	Vocabulary explicitly taught through each domain. (Tier 3 words) (Matt Bromley, Bromley Education Sec Ed Pupil Premium Conference, 23/3/2018) EEF Improving Literacy guidance report (2019) recommendation 2 is vocabulary instruction.	2
Increased the capacity of the pastoral team via the appointment of 3 assistant Key stage managers. The role of the AKSM is to support students in their academic and pastoral	How to develop a pastoral support plan The Key Leaders Building positive communications and relationships with family and students to improve attainment.	1,2,3 and 4

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £90,530

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>New Group Reading Test (NGRT). All students complete the NGRT and reading scores shared with colleagues to help support planning of resources.</p> <p>Reading scores also used to target students for intervention.</p>	<p>EEF Improving Literacy guidance report (2019) recommendation 7 is to provide quality literacy interventions and appropriate assessment tools to match students to relevant interventions.</p>	2
<p>Literacy support/intervention/catch up provision.</p> <p>Appointment of a Literacy intervention coordinator role</p>	<p>EEF A Tiered Approach to 2020-21 –Targeted academic support</p> <p>EEF Improving literacy in secondary schools provides seven recommendations related to reading, writing, talk, vocabulary development and supporting struggling students.</p>	2
<p>School led tutoring program – afterschool Maths. Higher and Foundations sessions. Staffed by internal colleagues who know the students.</p>	<p>Evidence indicates that one to one tuition can be effective, delivering approximately five additional months' progress on average. (EEF 2020)</p>	2
<p>During school form time:</p> <ul style="list-style-type: none"> • Targeted Maths GCSE tuition – Focusing on Year 11 students. • Targeted Maths Year 10 intervention 	<p>EEF A Tiered Approach to 2020-21 –Targeted academic support</p> <p>EEF Improving literacy in secondary schools provides seven recommendations related to reading, writing, talk, vocabulary development and supporting struggling students.</p>	2
<ul style="list-style-type: none"> • KS3 Homework club • Introduced weekly SPARX reader and SPARX Maths homework. • Year 11 open school 2.15-4pm Wednesday club 	<p>Homework EEF</p> <p>Homework has a positive Impact on progress and attainment</p> <p>5 months</p> <p>Closing the gap report suggest that disadvantaged students do not always have a quiet space to work at home. The lunch sessions</p>	2

Disadvantaged boys working group with me in mind and DST	This group primarily focuses on disadvantaged boys and social, emotional and cultural issues. The boys meet once per week with support and resource provided by the counselling service with me in mind. Approx 8 students from Year 9 meet with DST each week for their session. This group is intended to explore issues and barriers to success.	1 and 4
Disadvantaged HIGER ability Maths intervention – in partnership with Sheffield Hallam University.	Training days and Maths specific workshops targeting HA PP Mathematicians. This group of students attend 5 days of input at the university – cultural capital and supporting students to achieve grades 7-9.	1

Total budgeted cost: £ 385,765

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

Outline the performance of your disadvantaged pupils in the previous academic year and explain how it has been assessed. You should draw on:

In 2024: On average, PP students performed less well than non-PP students. The gap had closed slightly on the previous year.

Headline average point score:

- PP **3.73** verse non-PP **4.72**. This was below national results for PP students. (a note of caution can be added here to signal that pupils included in the performance data will have experienced some disruption due to Covid-19 earlier in their schooling, which will have affected individual pupils and schools differently)

Intended outcome	Success criteria	Was this outcome achieved?			
Pupils make at least expected progress. Seat first, check first and home first.	Gaps will close in progress made between PP and non PP. PP students to achieve, or exceed, in line with national averages for all students.	Progress made – the gap is starting to decrease, and predictions are that Work in this area will continue in 2025. Staffing changes and interventions in place to support students.			
Improved literacy outcomes for PP students so they can access the full curriculum	Close the gap in reading ages so PP are in line with non PP cohort Standardised reading scores are in line, or above, national averages	<u>Overview</u>	<u>N.o of students</u> <u>Sept 2024</u>	<u>N.o of students Remaining in Literacy</u> <u>-Sept 2025</u>	<u>Good Progress</u> * - <u>Feb</u> <u>NGRT 2</u> - <u>Jun</u> <u>NGRT 3 - 2025</u>
	Year 7	35	15 (58% exited)	80%	
	Year 8	22	8 (64% exited)	86%	
	Year 9	17	9 (47% exited)	76%	

		<p>62% of Y7-9 students exited literacy intervention 24-25, this was 2% higher than 23-24 and 8% higher than in 22-23 and in 21-22. Overall progress %'s is up on average by 30% for the whole cohort (Y7-9).</p> <p>This was met and work is continuing into 2025</p>	
Improvement in the attendance for PP students	<p>PP student attendance gap closing compared to non pp.</p> <p>PA rate for PP will be in line, or lower than national averages.</p> <p>Increased parental engagement demonstrated through home visits</p>	<p>Attendance has improved.</p> <p>Whole school attendance average 91%</p> <p>PP cohort average 89%</p>	
Higher levels of engagement of PP students in school, within lessons and within extracurricular offer, trips and visits.	<p>PP students receiving attitude to learning grades in line with non-pp cohorts</p> <p>Increased engagement is evident in data tracking, classroom observations, access to the curriculum and progress. Increased engagement with before and after school offer, increased parental engagement at parents' evenings, increased engagement with cultural enrichment trips and visits.</p>	<p>There is no significant gap in 2024/25 between attitude to learning of PP verse non-PP students.</p> <p>A change to the way in which we capture attitude to learning has been implemented in 2025/26.</p>
